

DRR

Integrated Operational Approach

VOICE FPA
WATCH GROUP
22/09/2015

Intention

Added value, flexibility, linkages with longer term resilience strategies

- *DRR into all ECHO HIPs – Integrated and Targeted*
- *"Targeted" according to strategic priorities and characteristics*
- *Increased investments.....*

Disaster Preparedness ECHO

Promoting Community Based Disaster Preparedness

Created 1996

Dedicated to disaster preparedness

Community based approaches, advocacy

And much more...

16 years – over 750 projects

37.7 m Euro

8 Regions

"Targeted" prioritisation within HIPs

- *On the basis of needs and vulnerabilities*
- *DG ECHO focuses on vulnerability not just hazards*
- *Consultative and co-ordinated*
- *Links with DEVCO/EEAS/CLIMA and joint programming*
- *Raises local/national/regional DRR capacities*
- *Synergies with the EU Aid Volunteers and EU Civil Protection*
- *Contribute to the 2015 Sendai priorities*

***Added value, Greater investment
To save more lives and livelihoods***

Nepal

2001 –
2015

MIP:

Rural
Education
Governance

PDNA
Reconstruction

Summary -

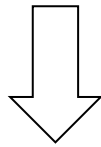

- *Coherence – Policy and Practice*
- *Added value*
- *Effectiveness*
- *Systematic, analytical*
- *Sendai – validation of ECHO approach*

Greater investments – 0.4% DA, 5.4% HA
Amendment to the funding decisions sought

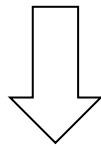

Logical, connected and confident

Un-addressed situation of risk, vulnerability

How it should be addressed

Why ECHO are well placed to do so
